ADD GLOVES AND WE HAVE A PROBLEM THAT
CAN MAKE EVEN THE EASIEST TASK DIFFICULT.

TIME FOR CHANGE? WE THINK SO.

MaxiFlex® Ultimate™ gloves are designed and developed with 360° breathability through the use of ATG's patented AIRtech® platform now improved using game-changing technology.

Introducing the next generation MaxiFlex® Ultimate™ with AD-APT® Technology - treated to keep workers hands cooler and drier, AD-APT® provides a new "Ultimate" in all-day comfort and improved productivity.

AD-APT® TECHNOLOGY

AD-APT® Technology is a proprietary system that releases microencapsulated, natural cooling agents on the inside palm area of the glove.
