

Ironcat®

Premium Top Grain Goatskin Leather MIG Welder's Glove with Reinforced Palm, Thumb Crotch & Index Finger - 4" Gauntlet Cuff

- Goatskin leather construction is the softest leather and is highly recommended for applications requiring tactile sensitivity
- Reinforced split cowhide brown leather palm, thumb crotch & index finger increases durability and provides added protection at common wear points
- Stitched with para-aramid thread, adding strength and burn resistance
- Keystone thumb is ergonomic, reduces hand fatigue, offers superior dexterity and durability
- 4" split cowhide gauntlet cuff with elastic closure sewn inside glove for safety and comfort
