# PIP

## SPECIFICATION SHEET STYLE: 9110

### **PIP**<sup>®</sup>

Economy Top Grain Sheepskin Leather Drivers Glove with Aramid Blended Lining - Keystone Thumb

- Sheepskin leather is more supple than cowhide so they're broken in from the start
- Para-aramid liner provides high tensile strength relative to its weight, is inherently cut resistant and will not melt, ignite or conduct electricity
- Keystone thumb is ergonomic, reduces hand fatigue, offers superior dexterity and durability
- Kevlar<sup>®</sup> yarn for stitching is heavy duty and more durable
- Drivers gloves feature slip-on styling to provide good fit and comfort
- Meets the content requirements for Chromium VI free leather

#### Applications

- Cut Resistance with Light Heat Protection
- Automotive Applications
- Glass Operations

#### Technical Data

| Color                | Natural                  |
