

Hantex®

Hantex® CHEMX-15G - Premium, lightweight, 15mil nitrile gauntlet, 33cm, diamond grip, cotton flocked liner, food contact.

- Excellent resistance against oils, fats, bleaching agents and solvents, the 33cm gauntlet protects both the hand and wrist area when handling chemicals.
- The diamond grip pattern on both palm and fingertips enhances grip and performance.
- The ChemX-15G is a hardwearing glove with superior abrasion resistance, and is specially formulated for improved dexterity and minimal finger fatigue.
- The cotton flock lining absorbs perspiration and keeps hands dry, cool and comfortable.
- Designed for applications where chemical and mechanical protection is required.
- Fully food approved.
